THIS LICENCE IS IN FORCE DURING THE PERIOD

COMMENCING 28 April 2016 and ENDING ON 27 April 2018

I, Mr Bruce Edwards, Assistant Secretary - Assessments & Air Branch, Department of the Environment, delegate of the Minister, grant under subsection 16(1) of the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989* (Cth) (the Act) a **ODS/SGG Equipment Licence to:**

ROTORPOWER (HOLDINGS) PTY LTD
(the Licensee)

to:

Import ODS/SGG Equipment

This licence is granted subject to the following conditions:

1. The licensee must notify the Department of the Environment of a change of address or any other contact details, within 30 days of the change occurring.
2. The licensee must notify the Department of the Environment, within 30 days of the event occurring, if:
 - a. being an individual, the licensee becomes bankrupt or enters into a scheme of arrangement with creditors, or is convicted of an offence that is punishable by 6 months imprisonment or more;
 - b. being a corporation, the licensee comes under one of the forms of external administration referred to in chapter 5 of the *Corporations Act 2001*, or an order has been made for the purpose of placing the corporation under external administration, or is convicted of an offence that is punishable by a penalty of 30 penalty units or more.
3. The licensee must not permit the licence number to be used by another person or business.
4. The licensee must not import ODS/SGG equipment:
 - a. which is designed to operate with or contain a hydrochlorofluorocarbon (HCFC) for the purpose of air conditioning; and
 - b. which is designed to operate with or contain a trichlorofluoromethane (CFC-11), a dichlorodifluoromethane (CFC-12), a trichlorotrifluoroethane (CFC-113), a dichlorotetrafluoroethane (CFC-114) or a (mono) chloropentafluoroethane (CFC-115) for the purpose of air conditioning or refrigeration; or
 - c. which is insulated with foam manufactured with a trichlorofluoromethane (CFC-11), a dichlorodifluoromethane (CFC-12), a trichlorotrifluoroethane (CFC-113), a dichlorotetrafluoroethane (CFC-114) or a (mono) chloropentafluoroethane (CFC-115),
unless the ODS equipment and/or SGG equipment is specifically exempted in the Ozone Protection and Synthetic Greenhouse Gas Management Regulations 1995 (the Regulations).
5. For the duration of the licence, the licensee must hold membership, and act in accordance with the membership rules, of:

- a. If importing refrigeration or air-conditioning equipment - Refrigerant Reclaim Australia or another approved Product Stewardship Scheme; or
- b. If importing another type of equipment - an appropriate approved Product Stewardship Scheme (if one exists).

Delegate of the Minister

NOTE

1. Under subsection 18(4) of the Act, the Minister may, at the time of granting this licence, or at any time afterwards, impose conditions on this licence. Under subsection 18(8) of the Act, the Minister may, on his or her own initiative or on written application by the licensee, vary or revoke a condition imposed under subsection 18(4) of the Act. Additional conditions on this licence have no effect unless they are set out in this licence or in a written notice given to the licensee.
2. Subsection 19(4) of the Act provides that ODS/SGG equipment licences will be in force for two years from the date of issue or for a shorter period specified, unless the licence is cancelled or stops being in force for any other reason before then.
3. Section 46A of the Act requires the licensee to report before the 15th day after the end of each quarter if the licensee has imported during that quarter. In accordance with the Regulations, a nil report must be provided if the licensee has not imported ODS/SGG equipment in a quarter.
4. Section 69 of the Act requires the licensee to pay a licence levy, to be received by the 60th day following the end of each quarter, if the licensee has imported ODS/SGG equipment in that quarter.
