

Pacific Scientific, Inc.

Certificate of Authorization

This is to certify that

John Cameron Aviation

HGR 473 Bankstown Airport
Sydney, Australia 2200

is an approved repair and overhaul facility for Pacific Scientific fire extinguisher and pneumatic bottles. This approval is valid until rescinded in writing by Pacific Scientific, provided that the facility maintains a valid CAA repair station approval.

As of 22 November 2005

Joseph Muklevicz, President

Pacific Scientific, Aviation Services Company
